Note:

- All measures are in mm.
- All measures are nominal, due to the ceramic manufacturing processes.
- Deviation from nominal measures can be up to +/- 5 mm.
- The macerator pump/hoses is not fully enclosed in the toilet geometry.
- Footprint only represents the geometry of the material in contact with the floor.
- Model is represented with Termosetting seat and cover.
- Make sure to have enough structural stiffness in the way of mechanical fasteners.
- For clarity reason macerator unit and hoses in section A-A are only outlined.
