

# II SIROCCO® II

**SEEKR**   
by *Caframo*

## 12v/24v Auto-Sensing 360° Gimbal Fan

The class-leading Sirocco II fan features a unique 360° gimbal design directing airflow exactly where it's needed.

Powerful yet quiet and economical to run, with 3 speeds, 4 auto-off timer settings and a long-life motor, boat owners can expect the Sirocco II to deliver the next level in onboard comfort.
