

## SOFT CLOSING SEAT and COVER

### FLEXI LINE 2G

Thetford Marine offers a wide range of solutions for most of its toilet portfolio. The design options include either a more classic, wooden polyester or a modern, light-weight thermosetting seat and cover, now further improved.

#### POLYESTER

- ✓ Classic design
- ✓ Cover and seat both visible
- ✓ Heavy duty material
- ✓ Stainless steel 316L Sugatsune™ damper hinges

#### THERMOSETTING

- ✓ Modern design
- ✓ Hiding the seat
- ✓ Light weight
- ✓ Quick release soft closing hinges

**NEW!**

#### IMPROVEMENTS

- ✓ Easy change and cleaning (the seat can be removed without dismantling the toilet from the wall)
- ✓ Wide opening angle (to avoid breakage and increase comfort)
- ✓ New soft closing mechanism more solid and effective
- ✓ Anti-bacterial and resistant to aging
- ✓ Resistant to chemical agents
